

# School Ethos Group

We are Rowan, Thomas, Sophie and Sophie and we lead St Thomas's Ethos Group.

We are currently exploring schools core Christian Values of truthfulness, forgiveness, respect and service and ways we can promote these further in everyday life in school. To help with this we assist Mrs Kelsall with our Friends Together club which is run after school one night a week.

Autumn Term was very busy at St Thomas's and 2016 ended with our fantastic Carol Service and nativity 'Lights, Camel Action!' which we held in church. As the Ethos Team we said a poem together which reflected the true meaning of Christmas and at the end of the service we held a collection for our chosen charity. This year our collection was for The Anthony Nolan Trust.

Y5 also did a fabulous performance of Aladdin and again this showcased some of the fabulous talent we have at St Thomas's.

On our Christmas dinner day we all came to school dressed in Christmassy clothes. We brought in lots of foods for our local food bank to help those less fortunate than us. We also did a shoe box collection for Samaritans Purse and collected money in Christingle candles from church.

Our school choir visited Shawcross Nursing Home at Stubshaw Cross and we sang carols to everyone there. We all had a good time.

We will keep you updated with new events on this website and in the Parish Magazine.
