

We hope you all had a lovely summer.

We are all settled back in school after our summer holiday and we are all settling into our new classes. Our new children in reception are all settling well and seem to be enjoying themselves and we also have several new children who have moved into other classes in school. We are sure they will enjoy our school as much as we do. We have also had lots of children who left for High School visiting us they all seem to be happy but say they get too much homework!

Just before summer we had a special worship led by Dave and the HeartSmart robot Boris. HeartSmart is all about loving and accepting ourselves as well as loving and responding well to others. We will be working closely with church as we introduce this in school through our worship.

We will keep you updated with new events on this website and in the Parish Magazine.
