Universal Credit

ALL children whose family is on Universal Credit (UC) are entitled to Free School Meals. It is crucial you show school the letter that confirms you are on UC as this means your child will get a free school meal and also school receives £1900 a year to support your child's education. School does not get sent any UC information, the system relies on you telling us. The deadline for this coming year is 12th January 2018 so please pop in to the office, with your confirmation letter, and let us know! Thank you!

Any other information

Life Education Caravan

The Life Education caravan is coming to St Thomas next week on Wednesday and Thursday. Every class will spend a session in the caravan learning about the body, how to take care of it and how medicines and drugs can affect them. This is an exciting interactive learning opportunity that the children will enjoy and learn lots about 'Keeping Healthy'. If you would like to visit the caravan; a parent session is being held on Wednesday at 3pm for 15 minutes before home time.

Head lice

The outbreak of head lice before Christmas has not cleared completely. Please check your child's hair and treat if necessary. It is vital if you have to treat for head lice that you repeat the treatment exactly one week later to make sure no lice eggs have survived. Y6 parents please be extra vigilant.

Twitter

Just a quick reminder that all classes have a twitter feed. If you wish to follow your child's class you will need to send a follower request to the class page. (e.g. search for 'Y2 St Thomas' and send follower request). Any problems contact the office.
