

# **St Thomas's CE Primary School**

Secure in Faith, Learning Together

*'Your word is a lamp for my feet, a light on my path.'*

Psalm 119 Verse 105

## **Music Statement of Intent**

Music is at the heart of St Thomas's CE Primary School and we love bringing lessons to life with the 'Sound of Music!'. Our Music curriculum intends to inspire creativity, self-expression and a sense of achievement. Children are enriched with a diverse Music curriculum, which encourages a love of music and supports them on their musical journeys. Across the school, all children develop their skills of listening, singing, performing and composing in weekly Music lessons. Music plays a key role in each child's life every day whilst at St Thomas's CE Primary School; from singing in worships, to class assemblies and in Christmas productions. In Year Four, children have a music specialist as part of 'Wider Opportunities' where they are taught to use a different percussion instrument each term. Children can explore their passion for Music by learning to play a musical instrument with a specialist teacher. Should your child wish to have music lessons and ignite their love of Music, information can be accessed from the school office.
